EDITOR'S LETTER

Top of the year to you all! January's always an exciting time, looking back over last year to work out where you went wrong, nursing the ridiculous debt you've run up over Christmas, feeling paunchy after all that scam and booze and wondering what the hell the coming year's going to throw at you. Hang on, that's not exciting, it's terrible! What a bloody crappy time of year this is – so anything that'll make it more bearable is more than welcome. Ahem, (drum roll)... cue the new *Mayfair*!

POST Mayfair, 23 Lyon Road, Hersham, Surrey, KT12 3PU.

WHAM PAM THANK YOU MA'AM!

Dear Mayfair,

I recently met an amazing woman, who can only be described as gorgeous, mysterious and really sexually-demanding. Not that I'm complaining, of course, as she's definitely a couple of steps up from the girls I've been used to! I'm not sure that I could exactly call her my girlfriend, though, as we don't do anything together but fuck.

I met her at a nightclub one Saturday night. She was dancing with a fit-looking bloke and their sexy moves caught my attention. At first, I thought they might be a couple, but when the music stopped she walked over to me and beckoned me after her on to the dance floor. Obviously the shy and retiring sort!

I found this really sexy, and she was most definitely my type physically, so I quickly followed her. We were dancing slowly, our bodies pressed together, when she reached between us, and, squeezing my dick through my trouser-front, whispered in my ear that she would like to fuck me that night! Christ, if only pulling was always this easy!

Pressing her crotch against my erection as we danced, she moved her hands behind me and squeezed my arse cheeks, her long nails digging in to my bum as she thrust and gyrated her pelvis against me.

She was so sexy and confident, I have to admit I was getting really horny. If it weren't for all the people in the club, I would happily have whipped my cock out right there and slipped her a length. Suddenly, she was done dancing and dragged me off the dance floor, towards the bar, where she asked me to get her a vodka and coke. We had a drink, chatted for a bit – well, she talked and I just listened. To say Pam was a bit bossy would be an understatement, but I was totally shit-faced and just hoping this was going to go a bit further.

Not long after that we left the club and she told me we were going back to her place – she didn't invite me, she TOLD me. Fucking hell, she was so confident, so sure of herself. Now, I'm not really into domination, and I've never been shy about approaching women and making

the first move. But all of a sudden I was being told what to do, this woman practically demanding I go home and fuck her. And I was more than a little turned on by it.

Pam's flat was an unfussy modern structure with lots of large glass windows in an upmarket residential area. Once indoors, she poured some drinks and we sat in the living room. Sitting opposite me, she inserted a fresh cigarette between her lips. My cock stiffened, growing harder as she suggestively ran her long fingernails from the filter to the tip of her cigarette. Taking a heavy silver lighter from the table, she lit up and inhaled slowly, her luscious big lips sucking on the tip of the elegant holder.

Drawing deeply, she leaned towards me and blew smoke in my face. Then, standing up, she told me to

GLAD TIDINGS!

Dear Mayfair,

Ever since she first appeared in issue 51/10 Danni Harwood has been one of my favourite *Mayfair* models. It's always a red letter day when her pretty, smiling face and bare bottom grace the front cover of your esteemed magazine. However, her appearance on your latest cover really took my breath away. To have her trussed up in an oversized red ribbon was inspired; the perfect package in more senses than one. I'm sure many of your readers will have fantasized about pulling that big red bow on Christmas Day morning to reveal Danni in all her naked glory! I particularly liked the picture on page 47 in which she reveals her wonderful tits for the first time whilst playfully drawing the ribbon along her slit!

Congratulations on ensuring that *Mayfair* ended the year with a bang – and with Kerrie-Lee ushering in 2018 it looks like another memorable year ahead.

John, Cheadle.

Thanks John! Yes, that cover got us in a tizzy as well, although it does men all our readers are likely to be rather disappointed with what they did get for Christmas – Ed.

IRISH EYES ARE SMILING

Dear *Mayfair*,

Congratulations on Michelle Moist's long overdue appearance in *Mayfair* 52/13 following her 10 years or so as one of Britain's most prominent TV glamour stars. As her reputation would suggest, her photos displayed her wonderful spirit of uninhibited exhibitionism as she openly flaunted her sexuality. The B-cupped beauty thrust her arse and opened her legs to display her pussy in the most provocative manner imaginable, and it was great to see her joining other TV phone line models like Olivia Berzinc, Priya and Preeti Young and Cara Brett who've appeared in your magazine. I'd love to see some of the other TV girls take the plunge as well – something that would guarantee that 2018 becomes another iconic year for *Mayfair*.

Mick, Eire.

unzip my flies and show her what I had 'to offer'. Blushing, but incredibly excited, I did as she asked. She looked down at my erect, black prick, reached forwards and drew her long nails up the shaft, scratching the skin lightly. I gulped at the sensation as my cock throbbed under her touch.

"Not half bad," she said in a cool voice. "Now let's see if the rest of you is up to scratch."

Imitating her cool manner, although actually feeling slightly intimidated, I stripped off and waited for her to do the same. She obviously liked what she saw, because she dropped her cigarette

into an ashtray and shimmied out of her tight skirt.

Pam was wearing sheer black stockings, held in place by thin silk straps of a lace suspender belt. Sliding her panties down over her legs, she pulled them free from her spike-heeled ankle boots.

She pulled her little top over her head slowly and, cupping her large breasts, she held them out for my inspection. It was all I could do not to drool, but as I reached out for them she laughed, turned away and led the way to the bedroom.

She then simply climbed up onto her bed and patted the space next to her. I didn't need telling twice, and pretty much leaped onto the bed beside her, like an eager puppy. She pushed me down, kissing me roughly on my mouth and working her way down my neck, chest and stomach until she reached my pubes, then stopped. The anticipation was killing me, and I grabbed the back of her head, trying to guide it towards my waiting dick. She shook my hands off, then teased me by breathing heavily on my shaft and balls, before snaking her tongue around my tip, licking the pre-come up. Then, with no warning at all, she gobbled my entire length down her throat in one, making me gasp with surprise and pleasure. She held it there so I could feel the back of her throat, before turning her lips into an 'O' and mouth-fucking me rhythmically, while massaging my balls with one hand. After only a couple of minutes of this, I started to feel my balls tightening and knew it wouldn't be long before I shot my load. Pam obviously realised the same thing, because she stopped sucking me off, lay back on the bed sideways to me, and lifted one thigh. "You ready for me, handsome?" She purred, slipping her fingers in and out of her juicy pussy.

You couldn't have kept me off her with a shotgun and, pushing roughly between her parted thighs, I was on top of her. Without any foreplay or thought, I rammed my big, aching cock inside her cunt and started slamming into her hard.

Her nails raked my back and she held on to me with her teeth, biting my chest as I shagged her as hard as I could, pumping away.

"Come on," she growled. "I said I wanted to be fucked, not just prodded." The jibe only made me hornier, and I went at her like a savage, thrusting into her as hard and fast as I could, my hands gripping her breasts roughly as she thrust her hips upwards to meet my strokes and started growling and moaning with pleasure.

I fucked her and fucked her, actually quite surprising myself at how hard I was going, and how long I was lasting, pumping her until my back was aching. Her hands suddenly found my bum cheeks, her nails digging into my arse as she tried to pull me even harder. And then she screamed out loud, her legs gripping my waist tightly as she came, her pussy muscles clamping hard around my dick, as she again bit down gently on my shoulder. Her orgasm seemed to last for ages, and I was beginning to wonder if she'd ever stop.

Needless to say, it was enough to push me over edge, and after two more hard thrusts I came, jet after jet of hot, thick come flooding her pussy, as I continued fucking her, pumping until every last

drop of spunk was inside her.

We lay there breathing for a few seconds before she slid out from under me, got up to go to the bathroom, simply saying, "You can go now. Leave your telephone number in case I need you again."

So, every once in a while, Pam will call and summon me, and I'll pop round for the hottest sex I've ever had. Like I say, I can't really call her a girlfriend, but with sex like that, who's complaining?

We had a bet amongst ourselves about who the Ed would choose to be the first girl to feature in 2018 – and it has to be said, a couple of us got it bang on the nose! Bexi's just the sort of go-to girl you'd go for if you want to make a statement of intent – long shapely limbs, a gorgeously curvy figure and the sort of face that could light up a room from 100 paces! So hats off to the old fellow for making such an assured choice, although when we asked him what had swung it for him, he couldn't even remember who he had chosen. Wow – he's been in the game so long he can make the perfect choices purely on instinct!

GET IN THE HOLE!

Dear *Mayfair*,

I have to tell you what happened to me last summer. My wife, Jo, and I live in a quiet cul-de-sac. One weekday last summer I took the day off to go and play golf with my mate. We had only just started when my mate got an emergency call from his office and had to leave, so I headed home.

When I got home my wife's car was parked outside but on entering the house she didn't appear to be in. So I went upstairs to have a shower and cool off before the missus got home. I was upstairs changing when all of a sudden I heard talking from the back garden. I looked out the window and saw three women sunbathing totally starkers in my back garden! One was my wife but the other two were our next door neighbour's daughter Suzanne and her friend Sara. Suzanne and Sara were only in their early twenties and as you can imagine they looked fantastic in the nude.

Since they hadn't seen me I chose to just admire the beauty in front of me. I wasn't

HAIRY MUFF LIKE IT WAS
CHOCOLATE CAKE.**

supposed to be home for a couple of hours, so they wouldn't be expecting me. I perched myself just behind the curtain where they couldn't see me, but I could clearly see them.

My viewing pleasure really went through the roof when Suzanne started to rub the back of my wife's calves. The next thing I saw was Jo slowly spreading her legs wide and all of a sudden Sara turned over and rubbed lotion on Jo's back. Her hands then started to move towards my wife's fine little arse. Now it got interesting, very interesting as I watched both young girls rubbing all over my wife's back, bum and legs. Jo spread her legs and then Sara started rubbing her pussy.

By this time I'd obviously got a raging hard-on and just stood there pulling my pud and getting hornier by the minute as my wife got intimate with a couple of girls almost half her age!

Suzanne climbed into the hot tub and my wife followed her. Then, as Suzanne spread her legs, she stuck her tongue in Jo's hairy muff like it was a chocolate cake. Sara got up on all fours in front of my wife's face and stuck out her arse so that my wife could begin to lick her out.

As you can imagine, there's only a certain amount of all this titillation I could take so I made my way downstairs and into the

garden as if I'd only just got home. Did I surprise them! I asked them what was going on and they were so startled Suzanne and Sara just clammed up. My wife looked a bit awkward but then she asked me if I wanted to join in the fun. Naturally I agreed.

The two young women blushed as I stripped out of my clothes and then climbed into the hot tub fully naked. Then I took over where Suzanne left off, right between Jo's legs. All of a sudden Suzanne was tugging at my cock under the water and Sara got back in position on the edge of the hot tub.

Pretty soon Sara was coming all over Jo's mouth as I lapped up my wife's own juices. Suzanne didn't want to be left out so I got out of the hot tub with her and we got into the 69 position right there on the lawn. I kept licking away at her gorgeous pussy until she spurted her cream all over my face. I then lay on my back while all three women went wild on my cock. When I couldn't hold it any longer (it didn't take long!) I shot what must have been a record load all over the place, much

THE CRACK OF DAWN

Dear *Mayfair*,

I see from the stats box that accompanies the set of Linsey Dawn McKenzie in your latest issue that she's going to be 40 this year which is absolutely unbelievable on two fronts. Firstly I remember vividly when she burst onto the scene as a precocious teenager in the mid 90s, and it really doesn't feel that long ago to me, and secondly, of course, just from looking at her fantastic pictures in your magazine! I'd always thought Naughty 40s and the like were a bit beyond the pale, but I'm definitely going to have to revise my opinion when Linsey hits the big 4-0! Then again, I've been in my 40s for a quite a while now, so either my tastes are changing or, perhaps, my eyes are going. With all the time I've spent, er, looking at Linsey over the years, it wouldn't be any wonder! Pete, Middx.

to the girls' amusement.

As we all lay there recovering in the sun, my wife said to me, "I've been having fun with these two for months, you're not mad at me, are you?"

I think this was one time I could forgive her, and needless to say, I've been playing a lot less golf ever since!

Mark, Leicester.

We thought we wouldn't leave it too long before introducing our first fresh-faced *Mayfair* debutante of 2018, and here she is! Now Sibyl might be the sort of name you associate with grannies rather than saucy 23-year-olds, but apparently there's a reason for it...

"It's from the Roman priestess who used to get off her head and predict people's futures!" she tells us. "I heard the story and thought it was so fantastic I just wanted more people to know about it. She lived in a cave and went mad because of all the toxic fumes!"

Well we don't need any sort of soothsayer to tell us that we'll be seeing plenty more of this Sibyl from now on!

TAIL OF THE UNEXPECTED

Ever wondered what it'd be like to own the only model of a car in the world? Well someone's just found out...

When, approximately one year ago, Rolls-Royce presented 103EX to the world, it invoked its coachbuilding heritage to inspire its future clientele. This Vision Vehicle envisaged a world of completely personal luxury mobility where new technologies would allow every Rolls-Royce to be designed in their owners' image, should they so wish. Such a

distinct Rolls-Royce. One's attention is first attracted by the confident and solid character of the front profile, centred on a new treatment of the iconic Rolls-Royce Pantheon grille. The largest of any modern era Rolls-Royce, the grille is milled from solid aluminium before being painstakingly polished by hand to a mirror finish. As one moves around to the side of 'Sweptail' one finds that it is the striking silhouette

Both the roof line as it tapers towards the centre line of the car, concluding in a 'bullet-tip' that houses the centre brake light, and the sweeping lower bumper area of the motor car, combine to create a greater feeling of elegance in motion.

The cleanliness of the surface of 'Sweptail' is maintained as the bodywork wraps under the car with no visible boundary to the surfaces, a treatment that is akin to the hull of a yacht. The underside of the motor car was designed to deliver the visual of a progressive upward sweep at the rear departure angle of the car, culminating in the swept-tail that gives 'Sweptail' its name.

The highlight feature of 'Sweptail' however is that specifically asked for by the client. An uninterrupted glass roof, one of the largest and most complex ever seen on a motor car of any marque, allows the cabin to be flooded with natural light, animating a host of beautifully handcrafted materials and componentry.

The size, scale and complexity of the glass roof's curvature is a marvel to behold, and from above again accentuates the speed and elegance of 'Sweptail'. Creating the ambience of the interior of the motor car, the glass of the roof is framed by polished aluminium rails that channel it into a vanishing point at the rearmost extremity of the cabin.

The provision of only two seats in a motor car of this size exudes the romance of travel for its own sake, and immediately places 'Sweptail' in the pantheon of the world's great intercontinental tourers. This is furthered by the overall design of the interior, which has been conceived in a classic two-seat GT configuration, echoing the touring nature of its exterior body lines.

And what a place to be as one watches the world slip by through the vast windows and roof, detached from the outside world in a cocoon of luxury whilst feeling one is part of that passing landscape.

The interior is ruled by a philosophy of simplicity and minimalism leading to a distillation of componentry and a purification of clutter. The value of beautiful materials takes precedence here, resulting in a fastidious suppression of switchgear to the absolute minimum to make way for the richest of materials applied in the most honest of fashions. An uninterrupted and harmonious visual experience of every surface inside the cabin is ensured.

Generous quantities of polished Macassar Ebony and open-pore Paldao adorn the interior, creating visual and tactile contrasts for the owner, both classical and contemporary. All their forms however are thoroughly modern as they echo the

Rolls-Royce would represent the truest meaning of luxury – a personal, bespoke motor car like no other for each individual commissioning patron.

The mere idea of a modern coachbuilt Rolls-Royce was not enough for one Rolls-Royce connoisseur, however. This individual approached the marque with his own idea of a two-seat Rolls-Royce that he wanted to be created in the here and now. That motor car is here, now and is christened 'Sweptail'. In a nod to the swept-tail of certain Rolls-Royces from the 1920s, admired by the client so much, he asked Rolls-Royce to reimagine this feature on his one-off motor car.

The 'Sweptail' is without question a Rolls-Royce that fits to the marque's DNA. Its initial formality when seen from the front signals that this is one very different and

that defines its unique character. Flowing as they do from upright and formal frontal aspect, the lines of 'Sweptail' resolve into a sveltely elegant form. The scale and grandeur of this regal looking coupé is evident. From the leading edge of the windscreen, the roofline accelerates as it fires backwards towards the rear of the motor car, overshooting the boot lid edge to emphasise its length. The longer side window graphic and wide C-pillar finisher underscore the length and proportions of this more wondrous of conveyances.

The *coup de gras* of the rear is the ultimate homage to the world of racing yachts that inspired the client, with its raked stern. Seen directly from behind, the rear taper contrasts strongly with the front of the motor car, shaping a completely new perception of a Rolls-Royce Coupé.

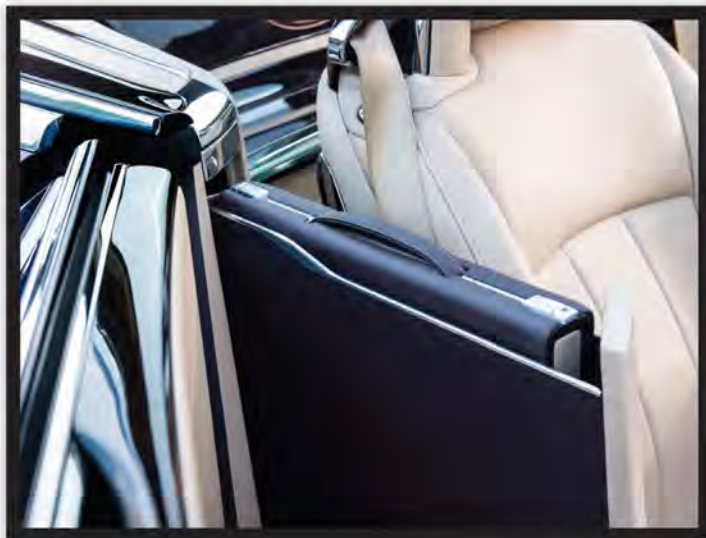

“THE SIZE, SCALE AND COMPLEXITY OF THE GLASS ROOF IS A MARVEL TO BEHOLD, AND ACCENTUATES THE SPEED AND ELEGANCE OF ‘SWEPTAIL’.”

exterior lines of ‘Sweptail’, hand-formed to encircle the occupants with some of the most beautiful natural materials in the world. This choice of dark and light, Ebony and Paldao, is set off by contrasting light Moccasin and Dark Spice leathers that adorn the seats, armrests and dashboard top.

But it is what those materials have been made to do that is the most fascinating aspect of this one-off cabin. True to the spirit of a transcontinental GT that Rolls-Royce established in the 20s and 30s, in place of the rear seats is a vast expanse of wood creating a mid-shelf with an illuminated glass lip, and a hat shelf which flows to the outer limits of the interior volume. Sitting under the rear opening backlight through which it can be accessed, the hat shelf is in itself a thing of beauty, highly polished and inset with luggage rails.

Other modern materials – and modern uses of those materials – feature throughout. The Macassar Ebony veneer seen around the cabin has been handcrafted to adorn the dashboard in the most modern way. The cleanest Rolls-Royce dashboard to date, the minimalist ethic not only dictates that only one control now appears on it whilst all other switchgear is discreetly relocated, but that the clock blends seamlessly too. In a world first, the face of this singular Rolls-Royce clock is also handmade of the thinnest Macassar veneer, visually embedding the clock into the fascia.

The delicacy of this particular piece of veneer allows for its rear illumination to pass through to show the hour marks, meaning the only physical elements on the clock are its hands that are precision machined from titanium. This use of titanium then extends to the faces, numbers and hands on all three hand-assembled instrument dials.

Two final surprise and delight features have been secreted inside ‘Sweptail’ to the stringent standards of the client.

Concealed in the outboard walls on either side of the motor car, behind the opening of the coach doors, are two identical panniers. Each pannier, when activated, deploys forward to present the owner’s bespoke made attaché case, which has been carefully packaged to exactly house his personal laptop device. The cases themselves have been hand-constructed from lightweight carbon fibre, wrapped in the finest leather that matches the interior of ‘Sweptail’ and detailed with machined aluminium and titanium clasps and locks.

These attaché cases are twinned with the full set of luggage also developed by Rolls-Royce Bespoke for ‘Sweptail’. The luggage resides in the trunk of the motor car, a trunk beautifully clad in the same wood as the hat shelf and inset with polished aluminium luggage rails.

And here’s the best thing yet with this one-off masterpiece – and is as personal to the owner as every other feature of ‘Sweptail’. The entire centre console now houses a one-off hand-built mechanism that, at the touch of a button, will deploy a bottle of the client’s favourite vintage champagne – the year of his birth – and two crystal champagne flutes. As the lid of the chiller opens, the mechanical action articulates the bottle to the perfect position for the owner to pick up.

A most personal, coachbuilt Rolls-Royce for a specific customer, every aspect of the material treatment of ‘Sweptail’ exudes handcrafted quality and exacting attention to detail. In short, it is a Rolls-Royce – but like no other before.

Scottish stunner Sophia's been absent from the pages of *Mayfair* for far too long, so the start of volume 53 seems like the perfect time to welcome her back into the fold! Fans will doubtless have seen her in a few movies since then, but only shooting with other girls - so is she really that way inclined?

"Oh, I swing both ways - don't you worry about that! It's just that I prefer shooting with girls on film - probably because I don't get enough pussy in my private life!"

OK, we can't wait any longer – it's high time we introduced our first new face of 2018, and let's be honest, we couldn't have found a comelier one than Nicole Snow's, could we? The Babestation beauty's been titillating late-night TV viewers for a while now, so we thought it only fair that *Mayfair* readers got to have a shuffy as well! Aside from her astonishing beauty, perhaps the most surprising thing about her is that such an exotic looking stunner should have a Leeds accent! The city's clearly come on a bit since I was last there. Perhaps it's time for another visit...

THE PAUL RAYMOND AWARDS

2017 WINNERS

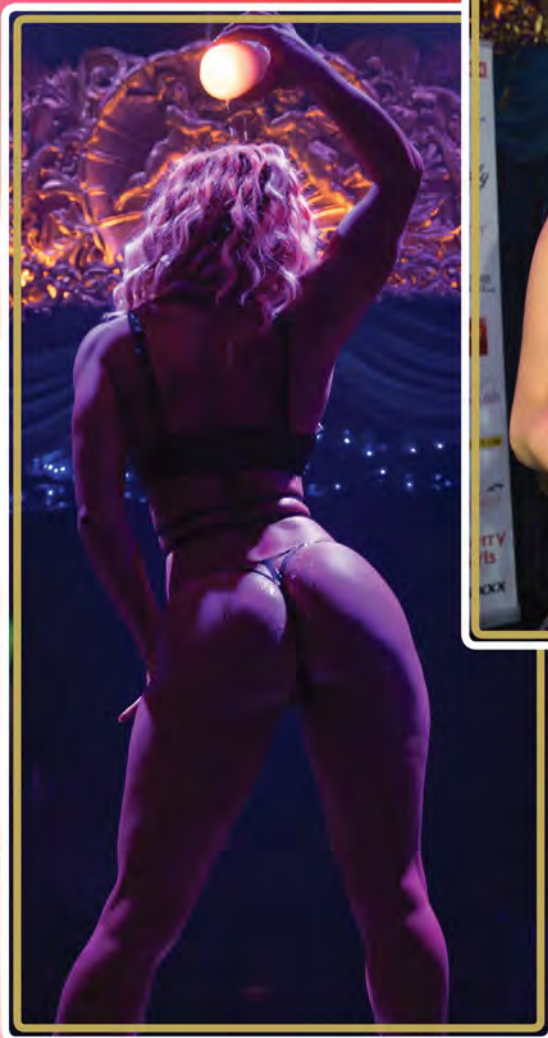

In our industry, we like to do things with a bang, or a munch...where fire eating is concerned, that is. So as the champers flowed, and the cabaret showed, the Paul Raymond Awards 2017 kicked off true to form, in a frenzy of nipple tassels and scantily clad women. Would we really do it any other way?

Steering the ship through the siren and booze-filled waters this year, were our hosts, social media sensation Dapper Laughs, and 2016 Lifetime Achievement Award winner Linsey Dawn McKenzie, whose frolicsome and mischievous antics buoyed the crowded Café de Paris, in London's West End. But between the banter, there were some hefty looking awards given out, with Ella Hughes winning PRP Girl of the Year, and Jasmine Jae tottering off with Performer of the Year for the third time in a row; the naughty little mix!

So who else got you chaps frantically tossing off votes left, right and centre? Well, Cara Brett held onto her Mayfair crown for another year, while Chessie Kay took up the Men Only mantle. But the force was also with, Star Wars Underworld: A XXX Parody, which chugged off to a

galaxy far, far away with Adult Film of the Year no less.

Once we'd all stopped making lightsaber sound effects, the boombox came out and the real partying started. With Big Nastie, Izzie Gibbs, and DJ Ironik on the mic and class acts from Showcase and Tyson Brown, all topped off with a session of Pure House and Garage, with Wideboys, MC Kie and George Kwall, which had us busting moves that definitely wouldn't get you a second date. A few familiar faces were steering clear of our robot moves, with Giggs and Dave Courtney playing it ultra cool in the VIP area, which is probably what we should have done; as it's safe to say these prancing robots woke up with sore motherboards the next day.

Now Suzi Star here hails from Essex and really ought to have appeared in *Mayfair* before now, but we've been scratching our heads and going through the records and can find no trace of her whatsoever, so it's all a bit of a mystery. But still, the important thing is that she's here now, and looking every bit the sort of lovely we like to feature month in, month out! Daily Star readers (come on, you know who you are!) will doubtless recognise her from her Page 3 appearances there, but she's bound to get plenty more admirers thanks to these pix!

.....

You'd think it was a pretty easy job, writing up a paragraph or two to go with the girlsets in the mag, and I'll admit it – it's not like I'm a mining sulphur from an active volcano or anything, but then from time to time, when you sit down to start writing, all you can think of to say is 'Wow!'. And that doesn't really stretch very far. But really, looking at Kerrie-Lee here, all shiny and boasting a figure that's almost enough to give any sensible man a coronary on the spot, what else is there to say? I'll shut up now, 'cos my mind's gone completely blank!

Scene from MAYFAIR

It's almost like January isn't quite the time for hot new films to get their DVD releases - so it's just as well there are some nailed-on classics being released instead!

MELVILLE – THE ESSENTIAL COLLECTION

Perhaps one of the lesser known names in French cinema (at least in this country), Jean-Pierre Melville was one of the pioneers of the post-war scene across the channel, and became something of a trailblazer for the New Wave that was to follow. His rather un-French surname was adopted during the war, when he was in the Resistance, and he hung onto it afterwards as he set about becoming an independent filmmaker having failed to get taken on by any more mainstream studios, and set about writing, directing and frequently producing his own idiosyncratic films, frequently revolving around small-time criminals and desperadoes of one sort or another. Included in this swish new collection are some of his major offerings, including 1959's *Bob Le Flambeur*, about a charming gambler whose luck turns against him and 1969's *Army of Shadows*, in which he looks back at the Resistance. French cinema at its finest.

THE APARTMENT

There aren't many films as unfailingly enjoyable as Billy Wilder's *Some Like It Hot*, which saw its Director and stars (Jack Lemmon and Tony Curtis) right on the top of their games, so the chances are the next film Wilder made was also going to be a corker – especially if it again showcased the talents of Lemmon. And sure enough, 1960's *The Apartment* turned out to be another dazzling release. This time round Lemmon plays a downtrodden office worker who makes a bit on the side by letting his apartment out to sleazy bosses so they can 'entertain' their bits on the side there. Until he realises that one of those bits on the side is none other than his own dream woman (Shirley MacLaine) and matters of the heart and the workplace get very complicated indeed. With fabulous gags and tremendous performances, this 4K reissue of a five Oscar winning classic is not to be missed.

THE PRIVATE LIFE OF SHERLOCK HOLMES

Oh hello – another Billy Wilder release, but from a completely different label. Well, if two films from one of Hollywood's finest happen to roll up in the same month, we're not going to say no! Sherlock Holmes has had more reincarnations than pretty well every other fictional character, and while everybody's familiar with Basil Rathbone, Jeremy Brett and Benedict Cumberbatch's go at the sleuth, there are many Holmes fans who'd argue that this 1970 take is the finest. Robert Stephens plays the deerstalkered one himself, with Colin Blakely as Watson, and the legendary Christopher Lee as Mycroft. The daft script (by Wilder and long-time collaborator I.A.L. Diamond) sees the pair encounter all sorts of unlikely obstacles in their search for a missing husband. Top notch stuff!

Honestly, you realise you've got a bit of filing that needs doing and you phone up the temp agency to send someone over, and who should rock up but our very own Emma Green. Well, if she's got a hidden talent for administrative work then that's alright by us... but no, she was bloody hopeless! Yes, we're sorry to relate that next to no filing got done, and Emma spent the whole day peeling off her clothes and playing with her magnificent bod! We wouldn't mind so much, but it meant the rest of the office got bugger all done as well. Looks like we'll have to get her back. Hey ho!

MAYFAIR Movies

If you happen to find yourself in your local sex shop and don't really know where to start, then here's our handy round-up of some of the more noteworthy grumble you'll find on the shelves!

Adult Channel

SEDUCTION SQUAD

CAST: Alessa Savage, Ava Austen, Misha Cross, Lucia Love.

I'm pretty certain there's already a porno *Suicide Squad* out there, but then that's no reason why we shouldn't have a British one as well, and besides, they've changed the name a bit. As the film starts we learn that the Prime Minister's daughter has been kidnapped by the Bonking Belgian Pascal himself, although he's tricky to recognise under all the sinister make-up he's got on. So what's to be done? Well it's obvious – get four deranged flampers out of high security prison and assemble them into a black ops unit to rescue the poor mite. Ava and Alessa are so glad to be out of their shackles they promptly lez up, getting properly mucky in a run-down corridor which features quite heavily in the film. Next out of the clink are Misha and Lucia, and once assembled, the team set about fucking the PM's bairn to safety. Alright, there's a bit

of scrapping as well, with Lucia lobbing flames here and there, but Alessa clinches the successful result with an eye-pleasing bunk-up with the Belgian. Top scene of all, though, is a celebratory shafting for Lucia, whose boobs could have been designed for cowgirl jiggery-pokery. **Available from your local sex shop.**

Harmony

THIRST FOR SEX

CAST: Clea Gaultier, Stella Cox, Henessy, Katana, Kira Queen, Francesca Di Caprio.

Henessy kicks things off here. She looks stunning in the opening scene, shot in a very classy room and with some really fine lingerie augmenting her already shapely bod. Without so much as a 'How d'you do?' she swans over to stud Juan, whose cock is all ready for a slurping. After that it's time for a pronging over the sofa, with the pair going through plenty of positions before he splashes off all over her snizz. Some frantic lesbiary follows, Kira Queen and Francesca making the most of fingers, tongues, a vibe and a strap-on in their quest for satisfaction. Small-boobed oriental cutie Katana's next up to the plate, pairing up with shaven-headed George for a very eye-pleasing session which sees the veteran cocksman giving her shaven smoo just the sort of work-out it craves. More girl/girl action sees Clea finally putting in an appearance, alongside (and under, and on top of) busty Stella Cox. Some bummery for Francesca winds up a very classy offering indeed. **Available from your local sex shop.**

Viv Thomas/MetArt

SPORTY GIRLS

CAST: Nancy A, Cheesy Sun, Ginger Fox, Nataly Gold, Erika Korti, Luna Corazon, Brandy Smile, Zafira.

Somebody should have had a word with her before she settled on the porn name 'Cheesy Sun', and perhaps in time she'll have another think and change it to something else, but for the time being she seems happy enough, jogging round some unidentifiable city with Nancy like she hasn't got a care in the world. Ah, no wonder she looks so happy – the jog winds up with a full on lesbo tit-a-tit in the locker room. The hardbodied pair seem genuinely enthralled by each

other's pussies, and I can't blame them.

Meanwhile, already very much in shape Nataly wants to get even more in shape, and at the gym she gets a good work-out to help

her towards her goal. The sort of work-out that sees Ginger feasting on her shaven spadger, really working the clit in some nice 69 action. *Mayfair* girl Zafira (aka Beth) needs some cheering up after twisting her ankle on her rollerblades, and Brandy knows exactly what to do – a bag of ice on the ankle and a tongue on the twat. Sure enough, Zafira's injury is soon forgotten as the pair get stuck in. And finally kick-boxing turns to box-licking for Erika and Luna, two girls who seem very good sports to me! **Available from your local sex shop.**

ANISSA

Age: 30 Vital Stats: 37E-25-35 5'4"
Photographer: DDF

■■■■■■■■■■

Fruity French fornicatrix Anissa Kate's rather set the adult world on fire over the last two or three years, and you don't have to be some sort of genius to work out why, do you! She's at the absolute peak of her powers right now, and just seems to go from strength to strength, so perhaps the Wonder Woman look is particularly appropriate for her! I certainly wouldn't mind being overrun by a tribe of Amazonians if they looked anything like this – although they'd probably make pretty short work of me!

M

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

I recently I went out with a guy for about a year and every now and again the topic of anal would come up, but I wasn't keen. Pete was pretty persistent however and bought magazines, DVDs and even a dildo to get me interested but I resisted all his attempts to get into my tight arse.

I dug out the dildo and carefully slotted it home. It felt enormous at first, too big to fuck myself with, but I practiced with it for a few weeks so that I could surprise Pete on his birthday.

Unfortunately our relationship didn't last that long and we split up. This had nothing to do with our sex life though ironically I was the one left feeling deprived.

See, after all this time I'd finally come around to the idea of taking a big fat cock in the arse and suddenly I was without.

I cried for days though my thoughts always turned to sex and I masturbated like crazy as I fantasised about Pete giving it to me in the arse.

After weeks of frantic frigging I realised I needed to satisfy my curiosity once and for all and set about finding someone who'd help.

Vince was a friend from work so I got all dressed up

and called at his apartment. He invited me in and ran his eyes up and down my legs.

"What's with the get up?" he asked.

"I wanted to look nice for you," I admitted, giving him a flash of my stocking tops.

"Why?" he asked.

"I need you to do me a favour."

I explained my request (with the help of a couple of drinks) and asked if he'd stick his cock

in me, just a couple of times, to show me what it was like.

"I'd consider it a personal favour," I told him and bent over in front of him to let him examine my arse.

Vince ran his hands all over my pert round buttocks and stroked up between them, feeling how wet my bulging gusset was before giving my bumhole a little rub. I clenched my teeth as he applied a little more pressure then I felt him pull my panties down over my thighs and kiss me on the buttocks.

"You really want me to do this?" he asked as he stared at my arsehole in wonder.

"So much so," I replied, chewing my lip and trembling with anticipation. My pussy was saturated and my arsehole quivering. When I felt the tip of his tongue run between the two I began to climax immediately.

"Oh fuck! Oh God!" I groaned as my

pussy went into spasms. I was so turned-on at that moment that just the prospect of getting a big hard cock in the arse and the merest of touches was doing it for me.

Vince straightened up behind me and dropped his trousers. I looked through my legs and saw him waxing my juices all over his up-turned hard-on and came once again.

"Oh yeah, stick that big boy in me," I told him and relaxed my arsehole as much as I could. Vince brushed his wet cock across my cunny before finally pinning it against my anus.

I readied myself to take it all and told him to do it, then felt him lean into me. My sphincter suddenly expanded like I couldn't believe and a great thickness of meat surged inside me.

I screamed into the back of my hand as he plunged into me further and screwed my eyes up tight as he pulled on my hips.

The dildo had felt nice and easy inside me when I'd fucked myself with it but Vince wasn't half as patient as I'd been. He punched his dick in and out of my back door as he fed me his length and only stopped once his balls squashed up against my pussy.

"Are you in?" I asked, panting for breath.

"All the way," he replied.

I flexed my rear and felt him embedded right up to my colon. I couldn't believe how

Then, a couple of months ago, I stuck on one of the DVDs, just out of curiosity, and was blown away at how filthy it was. The more I saw the more curious I got and I even began experimenting, rubbing my fingers against my bumhole before trying a couple inside. They didn't feel as uncomfortable as I thought they would so

When my best mate Esther (who just happens to also be my flatmate) and I have had a recently, what with her losing her job and me getting unceremoniously dumped by my boyfriend Dom. And that's how we found ourselves bored shitless one weekend. We were a right pair of losers, completely skint so unable to go out and, as all our mates were party animals, they'd all bugged off on a weekend in Brighton. After moping around for half the day, we decided to go and get some cheap beauty treats from the pound shop (as well as a couple of bottles of cheap plonk from the offie) and have a DIY pamper session. So, that evening, as our mates lived it up on the town, we got into our robes and plastered on facepacks and did our nails, while we knocked back the Lambrini and danced around to cheesy pop tunes. We had a great time!

We were pretty tipsy when Esther suddenly suggested massages. After a week slumped over a desk at work, my back was aching so I readily agreed. Esther announced that, as it was her idea, she should go first. Disappearing into her bedroom, she emerged with an inflatable airbed and proceeded to blow it up in front of

me. I found this unexpected behaviour hilarious and cracked up, unable to ask her what she was doing as I was laughing so hard

fat he felt, and how much he'd filled me up! I was losing my anal cherry and it was intense. But I was loving every second of it. Vince withdrew just a few short inches then pushed back inside. I gasped as he refilled me and tried to cling onto his cock with my arse but Vince pulled out again and stroked back in.

I felt so filthy and hard-core, just like girls in those dirty anal movies Pete had bought me, and soon I was unloading again, this time all over his fat slapping balls.

"Give it to me, give it to me! Fuck me harder!" I demanded, thrusting back against him and taking everything he had.

Vince's strokes became quicker and quicker until his groans told me he was on the verge of coming.

I wanted him to fill my arse with spunk but he had other ideas and pulled his cock out of me. After giving it a couple of strokes he shot a long arc of sticky come all over my back and bum.

It was an unbelievable experience and I let Vince fuck me again the next night when I asked what he wanted for doing me this favour. Poor old Pete, if only he knew what he missed out on!

me. I found this unexpected behaviour hilarious and cracked up, unable to ask her what she was doing as I was laughing so hard

"I FELT HIM EMBEDDED RIGHT UP TO MY COLON. I COULDN'T BELIEVE HOW FAT HE FELT."

(I guess you had to be there! And I think the booze might have had something to do with it!). When she'd finally inflated the lilo fully, she set it on the kitchen table and stood back, proud of her makeshift massage table!

Esther stripped off her robe down to her knickers and clambered onto the lilo/table, which was in itself really funny, but when she lay flat and I began, I slipped and ended up using about three times

as much oil as I should have. My hands were sliding all over the place, including where they shouldn't have, and when she

"WHEN I THOUGHT SHE MIGHT FREAK OUT, SHE SPREAD HER LEGS AND USED HER HAND TO MOVE ME AGAINST HER..."

tried to roll over on her back, she nearly slipped off. She was topless and laughing so hard her tits were jiggling about all over the place and, for a joke, I grabbed them and gave them a rub, which just set her off even more. I may have been a bit pissed, but I wasn't

think she even knew she was doing it, but when I started pushing against it, just really gently, she seemed to like it.

Soon I stopped being quite so sneaky about it and began blatantly kneading my heel against her and she actually parted her thighs, just a tiny bit, so it slipped further down. It must have been pressing her labia against her clit. A couple of seconds later

she looked up at me, like she couldn't quite get her head round what was happening. Our eyes locked, and I started pumping my heel harder against her. Just when I thought she might freak out, she spread her legs even wider and used her hand to move me against her.

I'll admit I wasn't expecting her to do that and it started feeling ever so slightly weird at that point – there I was with my big toe

“HER JUICES WERE RUNNING, WARM AND STICKY, DOWN MY SOLE AND SHE WAS MOANING AWAY.”

jammed right up my best mate's pussy as she fucked herself with it. Her juices were running, warm and sticky, down my sole and she was moaning away like she was on the edge of her first-ever orgasm. But if it felt good for her...

that out of it, so when I'd massaged her back for 10 minutes and Esther offered to return the favour, I politely declined. Well, I wasn't that polite, actually! Nothing happened between us until later, though, when we'd nearly polished off all the alcohol. Esther had been giving me a pedicure, which she was finishing off with a foot massage. My foot was in her lap, and I realised my heel was right up against her mound as she played with my toes. I don't

I soon realised just how much this was turning her on – I could feel how warm and moist her snatch was against my foot through the gusset of her knickers. I pointed my big toe and used it to pull on the elastic – Esther took the hint and yanked it to one side. Then she grabbed my foot and started playing my toe up and down her slit. Just as I wondered how far this would go, she pulled on it, so my toe sank right into her twat.

I decided to join in the fun, squirting massage oil on my fingers before playing with my clit and then sinking them into my own cunny. The situation was so fucking horny that I knew I'd bring myself off quickly. I

Esther was first to climax and I yelped as her nails accidentally dug into my foot as she pulled it hard against her crotch. At last my toe slipped out, soaking wet, and she brought it up to her mouth so she could suck on it. And surprisingly, that's

what really did it for me – I moaned at her not to stop as I fingered myself hard and fast, juices flowing out of me as I wanked myself to orgasm.

Nothing's happened between us since then – we didn't even sleep in the same bed that night, and we haven't talked about it either. I wouldn't say no if things went that way again, though. I've also been fantasising about more foot sex, but with a man this time. I love the thought of rolling and rubbing a big, thick cock in between my soles, then having it spunk all over my perfectly pedicured toes! All I need to do is find someone who fancies it!

always tremble slightly when I'm getting close to orgasm, and Esther seemed to like the way my foot was shaking against her slit. I also realised that what she was

doing to my foot was getting me there quicker – I've never been that ticklish, but the feel of her hot hole clenched around my toe was such a turn-on.

Hilary

BY MARIO MARNOTO

MAYFAIR
Classic

You really need a pack of hounds to track down 27-year-old Hilary Beauchamp, for her home is hidden away in the small Warwickshire village of Ullenhall. But once you have found the right road, Hilary's house is easy to spot. If the mud-spattered Range Rover doesn't give it away, the horse-boxes next to it certainly will. For Hilary is a keen rider and her 34-24-34 figure can be seen out in her hard hat and jodhpurs every weekend.

'I'm lucky enough to have two horses. Abatis, the hunter, is my favourite though. He's an elegant, chestnut gelding with an excellent temperament and has never thrown me. Mind you, he was naughty once. He's frightened of sudden noises and on one occasion a young couple in a sports car came up behind us very fast and hooted. Abatis was so scared, he reared, and then promptly relieved himself on the bonnet. Serves them right,' she smiled.

But for Hilary riding is a social occasion. 'Hardly a week goes by without my dressing up in my full hunting kit and pulling on my black riding boots to join the lads that I go out hunting with. And don't go believing that all huntsmen are horsey types. After a couple of stirrup cups, the last thing some of the men are hunting for is the fox.' She laughed. 'Many a time I've felt a few stray fingers around my tight jodhpurs when being given a hand into the saddle. And quite often on a warm sunny day under the cover of a nearby hedge, the thrill of the chase is nothing compared to the joy of getting caught!' Tally ho, we think Hilary sets the heart galloping.

MAYFAIR Classic

Looks like we managed to rustle a right tasty bit of posh back in 1981 with these pictures of the rather snooty sounding Hilary Beauchamp. When she wasn't getting her muff out for *Mayfair* she loved nothing better than riding around on her two horses, which must have been pretty sweet for the nags in question! We wonder if she ended up marrying some sort of moneyed-type from the city and producing another well-to-do generation...
